Does your response contain confidential or sensitive information?

No, my response does not contain confidential or sensitive information

Do you have any comments on the structure or clarity of the Draft Guidance?

No, all good.

Does the guidance offer sufficient clarity about how the CMA proposes to carry out its enforcement functions?

Yes

Do you have any other comments on topics not covered by the specific questions above? If so, the CMA requests that respondents structure their responses to separate out their views in relation to each of the Draft Guidance's chapters

No
